Poly Miliori on:

1960-1990: The years of wide circulation

Greek popular magazines registered a boom in the decades of 1960s and 1980s, to their later decline and demise. Our presenter is an expert on the theme as she was the chief editor of the popular "Patheon" and the author of a key work on the history of popular magazines in Greece.

She has also authored 18 books on fiction as well as on literary topics

The presentation will be in Greek.
